GREECE

Let's drive success together.

With Greece offering a unique blend of culture, scenic beauty, and warm hospitality, this event presents an exceptional opportunity for strategic partnerships that go beyond traditional sponsorships.

Join us in shaping an unforgettable experience that captivates audiences worldwide.

The 1000 Miglia Experience Greece includes the following four (4) categories

1

1000 Miglia Experience Greece Eligible (1927 - 1957)

This class honors cars eligible for the original Mille Miglia, featuring historic vehicles with certifications like FIVA and Registro 1000 Miglia Experience Greece.

Participants will experience the nostalgia and challenge of navigating classic routes in these vehicles that shaped the very foundation of car racing.

2

Classic Cars Class (1927 - 1957)

This class celebrates iconic cars from the early years of automotive racing, up to 1957, which may not meet the eligibility criteria for the original Mille Miglia or lack certifications like Registro 1000 Miglia Experience Greece.

Participants will immerse themselves in the spirit of the era, navigating classic routes in vehicles that define the golden age of racing.

3

Classic Cars Class

(1958 - 1994)

Dedicated to car automotive enthusiasts and collectors of vehicles from the '60s to the '90s, this class highlights an era of significant evolution in automotive design and technology.

It offers a platform for showcasing the style and engineering advancements that characterized the late 20th century.

4

Gt & Supercars

(1994 - 2024)

Focusing on the thrill of modern supercars for a group aimed at a high spending tier of passionate enthusiasts, this class anticipates the future of automotive collecting.

Owners of today's high-performance vehicles will have the opportunity to drive their cars for approximately 1,100 km, while enjoying top-tier hospitality, laying the foundation for what may become the classic cars of future generations.
